balance of the March allotment

Sir,

In continuation of my letter No. 9367 dated 20th May 1919, intimating that out of 800 tons of Burma rice imported in April 1919 by Government direct, 700 tons arrived per S.S."Bulimba" and 100 tons by "Bharata", I have the honour to state that Mr. Mahomed Ebrahim Mulla with whom the Rice Commissioner had placed the order, has preferred a claim for storing insurance and other charges on account of the 100 tons shipped per S.S. "Bharata" amounting to about Rs400/- on the ground that the order was for "immediate shipment" while shipping space was provided only for 700 tons in the S.S. "Bulimba" in April, and for the remaining 100 tons shipping space was not provided till 17th May. The firm says it is not clearly responsible for the delay.

2. The claim which was once rejected by the Dy. Food Stuffs Commissioner for rice has again been sent up to me at the request of the suppliers. If Government approve, I intend to refer the matter to the Rice Commissioner and accept his decision in the matter. The suppliers will be informed accordingly.

3. The enclosures to the Dy. Food Stuffs Commissioner's Memo No. 4424/C18 dated 27th May 1919 are herewith submitted for reference and obliging return when no longer required.

I have the honour to be,

Sir,

Your most obedient servant,

M. Ramachandra

for Food Controller.
